

# Ringlock Transom Clamp UF-RTC

## PRODUCT INFORMATION SHEET

- Turn any size Ringlock Ledger into a Ledger-to-Ledger Mid-Transom instantly with the UF-RTC Ringlock Transom Clamp from Universal.
- Use your existing inventories and stop purchasing expensive clamp-on mid-transoms in all different sizes, further complicating your inventory.
- Secure the transom clamp into both ends of the horizontal and slide the horizontal down parallel ledgers to the desired position.

### Point Load Test Data:

NO	Maximum Load(LBS)	Load Speed (LBS/S)	Remark
1	1313	22	0.65M(2'2") Ledger deformed permanently
2	1300	22	0.65M(2'2") Ledger deformed permanently
3	1317	22	0.65M(2'2") Ledger deformed permanently

Load rating after 4:1 Safety Factor

Test result Except wedge deformed, other parts kept good condition

### Uniform Load Test Data:

NO	Maximum Load(LBS)	Load Speed (LBS/S)	Remark
1	1720	22	0.65M(2'2") Ledger deformed permanently
2	1739	22	0.65M(2'2") Ledger deformed permanently
3	1729	22	0.65M(2'2") Ledger deformed permanently

Load rating after 4:1 Safety Factor

Test result Except wedge deformed, other parts kept good condition
